FURNITURE

GLITZ

CONSTRUCTION Handloom Knotted

COMPOSITION 100% Artsilk

STOCK SIZES (cm) 160 x 230 / 200 x 290 / 250 x 350 / 300 x 400

CUSTOM OPTIONS Custom sizes and colours available

PILE TYPE Cut pile

THICKNESS Approx 10 mm

EDGE FINISH Overlocked

USE PURPOSE Indoor

SUITABILITY Residential

SILVER

CARE

Professional clean only. Do not steam clean. Regular gentle vacuuming will remove any dust and debris. Do not wet your rug or apply detergent. Do not rub or scrub the rug, as it may cause permanent pile damage/disruption. Act on a spill as soon as it occurs by gently pressing with a clean, white cloth (or paper towel) to absorb as much liquid as possible, to reduce permanent damage.

IMPORTANT Use a flat head when vacuuming. To prevent excess fluffing, do not use a brush head or turn brush setting off.

MANUFACTURING VARIATIONS

All rugs are made by hand which means there is a slight chance that variations in size and colour can occur. Up to 5% variation in size and colour is considered acceptable. Variations in pile height and total thickness of 1-2 mm are considered acceptable.

PRODUCT CHARACTERISTICS

SHEDDING Often new rugs begin to produce fluff as a result of loose fibres that remain in the rug after the manufacturing process. Vacuum regularly and this will reduce over time.

SPROUTING Occasionally loose yarn ends will rise above the pile surface. This is a characteristic of this particular weave. Strands can be safely trimmed to the surface when this occurs with a pair of sharp scissors.

SHADING All cut pile rugs are susceptible to exhibit characteristics of shading over time. This is the result of the reversal of pile direction during use causing areas of the rug to appear to have changed colour. This effect is not a manufacturing fault nor can it be prevented.
